

FINAL CONGRESS

life *Save the flyers*

Nuovo Teatro Comunale
Santa Fiora (GR), Italy

5 • 6 • 7 november 2014

First session • November 5

**• The conservation of the Red Kite
in Europe**

Second session • November 6

• Birds and power lines

Save the Flyers
LIFE08 NAT/IT/000332

Project realized with the contribution of the LIFE financial instrument of the European Commission

First session • November 5 2014

• The conservation of the Red Kite in Europe

9,00 - 9,30

Registration of the participants

9,30 - 10,00

Congress opening and welcome speeches

10,00 - 10,20

The LIFE Project Save the Flyers

10,20 - 10,40

The Red Kite in Italy

10,40 - 11,10

The reintroduction of the Red Kite to the Upper Albegna Valley (Italy)

10,10 - 11,40

coffee break

11,40 - 12,00

Measures carried out in the "Gola della Rossa e di Frasassi" Natural Park (Italy) in favour of the Red Kite and raptors

12,00 - 12,30

Remote monitoring of the whereabouts of Red Kites released within the LIFE Project Save the Flyers

12,30 - 13,00

The reintroduction of the Red Kite to Britain and Ireland – progress so far and lessons learned

13,00 - 15,00

buffet

15,00 - 15,30

Distribution and population changes of the Red Kite in Europe

15,30 - 16,00

The Red Kite in Corsica

16,00 - 16,30

Monitoring of breeding and wintering Red Kites in Switzerland

16,30 - 17,00

The Red Kite in Spain, an endangered species: threats, wintering census and monitoring

17,00 - 17,30

Claudio Franci

(President Unione dei Comuni Montani Amiata Grossetana);
Massimiliano Scotti (Director of Gola della Rossa e di Frasassi Natural Park);
Anna Brogi (Head of Safety, Environment, Quality and Energy Efficiency Enel Distribuzione);
Federico Balocchi (Mayor of Santa Fiora)

Anna Cenerini, Biodiversità sas

Nicola Cillo, Ornithologist

Guido Ceccolini, Biodiversità sas

Massimiliano Scotti, "Gola della Rossa e di Frasassi" Natural Park

Willem Bouten, Institute for Biodiversity and Ecosystem Dynamics, University of Amsterdam

Ian Carter, Natural England

Adrian Aebischer, Fribourg Natural History Museum, Switzerland

Gilles Faggio, Conservatoire d'espaces naturels Corse

Adrian Aebischer, Fribourg Natural History Museum, Switzerland

Nicolás Lopéz, SEO-BirdLife

Discussion and conclusions

• Birds and power lines

9,00 - 9,10

Session opening

9,10 - 9,40

Measures for the mitigation of birds electrocution in Italy. Enel experience

9,40 - 10,00

Impact of electrocution on raptors in the Upper Albegna Valley (Italy)

10,00 - 10,20

Actions undertaken to reduce birds electrocution in the Upper Albegna Valley (Italy)

10,20 - 10,40

Species affected by electrocution in the "Gola della Rossa e di Frasassi" Natural Park (Italy)

10,40 - 11,00

Actions undertaken to reduce birds electrocution in the "Gola della Rossa e di Frasassi" Natural Park (Italy)

11,00 - 11,30

11,30 - 12,00
Ecological considerations concerning interactions between electric lines and birds. Endesa experience

12,00 - 12,30

Mitigation of power lines' impact for Eagle Owl conservation in Sondrio province (Italy)

12,30 - 13,00

Mitigation measures to reduce electrocution of globally threatened birds in Bulgaria

13,00 - 15,00

buffet

15,00 - 15,30

Modification of power lines for the conservation of the Bonelli's Eagle in Spain (LIFE12 NAT/E/000701)

15,30 - 16,00

Modification of power lines for the conservation of the Egyptian Vulture in Fuerteventura island, Canaries, Spain (LIFE04 NAT/E/000067)

16,00 - 16,30

Modification of dangerous power lines for birds in Murcia region, Spain

16,30 - 17,00

17,00

Visit to the Museum of Mercury Mines of Monte Amiata (Santa Fiora)

• 7th november

Field trip (Labbro Mountain, Upper Albegna Valley, Endangered Raptors Centre CERM)

Second session, November 6

Debora Stefani, Head of DTR Toscana Umbria, Enel Distribuzione

Riccardo Lama, Head of Standardization and Working practices, Enel Distribuzione

Guido Ceccolini, Biodiversità sas

Monica Cataldo, Head of Network Development of DTR Toscana Umbria, Enel Distribuzione

Jacopo Angelini, Comitato Oasi WWF Bosco di Frasassi

Virgilio Tomassini, Head of Ancona Area, Enel Distribuzione

coffee break

Antonio Juan Palau, Department of Environment and Sustainable Development, Endesa

Enrico Bassi e Maria Ferloni, Sondrio Province

Svetoslav Spasov, Projects Director, Bulgarian Society for the Protection of Birds

Carlota Viada, LIFE Bonelli's technical coordinator en Mallorca, COFIB-Government

José Antonio Donazar, Doñana Biological Station, Seville

Emilio Aledo, General Direction of the Environment, Murcia Region
